ammandkumar@gmail.com

Chennai, India

EDUCATION

Chennai Institute of Technology

B.E. Computer Science and Engineering

Expected Graduation: 2029 CGPA: 8.91/10

Class XII	97.5%
Class X	97.2%

TECHNICAL SKILLS

Programming	C++, JavaScript
Web Technologies	HTML, CSS
Database	MySQL, SQL
Machine Learning	Machine Learning Fundamentals, AI-based Classification
Core Areas	Data Structures & Algorithms, Problem Solving, Database Management

LANGUAGES

English — Fluent

Hindi — Fluent

Tamil — Native

CERTIFICATIONS

- **C++ Certification** – Simplilearn
- **SQL Certification** – Simpillearn

PROFESSIONAL SUMMARY

Computer Science Engineering student at Chennai Institute of Technology with a strong academic record (**CGPA: 8.91/10**) and a keen interest in software development, machine learning, and data-driven applications. Proficient in C++, MySQL, JavaScript, HTML and CSS, with hands-on experience developing an AI-based voice deepfake detection project. Selected among the Top 35 teams in the Anna University CEG Hackathon, demonstrating problem-solving ability, technical initiative, and the ability to develop solutions under competitive constraints.

PROJECTS

AI Scam Voice Detector

Machine Learning | Audio Classification

- Developed an AI-based system designed to distinguish between AI-generated and human-generated voices, addressing the growing threat of voice-based deepfake scams.
- Explored machine learning techniques for analyzing voice characteristics and identifying patterns associated with synthetic audio.
- Designed the solution with a practical cybersecurity use case: helping users identify potentially manipulated or AI-generated voice content.
- Focused on building an accessible approach to AI-generated voice detection for scam prevention and digital safety.

Anna University CEG Hackathon

Top 35 Teams

- Successfully advanced to the **Top 35** in the Anna University CEG Hackathon.
- Demonstrated technical problem-solving, innovation, and the ability to develop solutions within a competitive hackathon environment.

ACHIEVEMENTS

- Achieved **97.5%** in Class XII, demonstrating consistent academic excellence.
- Achieved **97.2%** in Class X.
- Awarded a two-year school fee scholarship for Classes XI and XII in recognition of outstanding performance in Class X.
- Selected among the **Top 35** teams at the Anna University CEG Hackathon.

ADDITIONAL INFORMATION

- Passionate about technology, problem solving, and building innovative solutions to real-world challenges.
